Letters of Recommendation

[help](#)

Please provide your recommender information in the section provided below.

Upon the submission of your admission application, each recommender whose e-mail address you have supplied will receive a recommendation request e-mail. This e-mail will contain a link that will take your recommender directly to the Rutgers Graduate Admissions Recommendation web site. Your recommenders can easily provide Rutgers with a recommendation for you directly on that web site.

Supplying accurate e-mail addresses is of the utmost importance. Recommender's email addresses cannot be changed once your application is submitted. It is strongly advised that you provide your recommenders with prior notice of the recommendation request e-mail they will receive.

If you choose to supply only a recommender's name and not their e-mail address, Rutgers will expect to receive a recommendation from that person on paper through mail delivery.

It is your responsibility to ensure that all required credentials, including recommendation letters, are received by Rutgers.

If the applicant does not waive the right to access and is admitted and enrolled, he or she will be able to access letters.

Please check: ☐ I WAIVE ☐ I DO NOT WAIVE my right to access this letter.
