<b>Project Team Members:</b>					
<i>(Note: Students must indicate their academic advisor on the first line.)</i>					
<b>Name</b>	<b>Affiliation</b>	<b>Position</b>	<b>Expertise</b>	<b>Signature</b>	

**Expected Outputs:**

☐ Monograph    ☐ Academic Paper    ☐ Research Report    ☐ New Technology  
☐ Education / Public Engagement    ☐ Conference    ☐ Other:

**Proposed Funding Amount (RMB):**

*(Refer to the Application Guide for funding tiers)*

**Planned Completion Date:**

\_\_\_\_\_ Year \_\_\_\_\_ Month \_\_\_\_\_ Day

## Section I: Project Overview and Expected Outcomes

*(Up to 6000 characters)*

Please elaborate on the following:

- **Research Rationale:** Describe the current state of related fields. Explain the necessity, importance, and potential social value of the project.
- **Project Content:**
  - *For research projects:* Key questions, research scope, theoretical framework, focal points and challenges, specific objectives.
  - *For practice projects:* Background and goals, target audience, overall plan, expected difficulties, and outcome formats.
- **Methodology:** Basic research approach, tools, and implementation strategy.
- **Timeline:** Major phases, deliverables, and milestones. For projects over two years, include an annual work plan.
- **Expected Outcomes:** Detail expected final outputs (e.g. report title, number of papers, word count for monographs).

## Section II: Research Foundation

*(Up to 2000 Chinese characters)*

- **Academic Resume:** Key academic and professional background of the PI, experience in relevant fields.
- **Research Basis:** Prior relevant work, key theories, evaluations.
- **Ongoing Projects:** PI's currently funded research or project leadership.
- **Other Funding:** Other grants received for the same or similar research topics.
- **Resources:** Available time, team, equipment, and data support for project execution.

### Section III: Budget Plan

*(Note: Budget categories must comply with Tsinghua University financial and research funding policies.)*

No.	Category	Amount (RMB 10,000)	Notes
1	Documentation / Materials		Max 50%
2	Data Collection		
3	Conferences / Travel / International Collaboration		Max 20%
4	Equipment (attach procurement plan)		
5	Expert Consultation (excluding PI)		
6	Labor Costs		
7	Printing / Publication		
8	Other Expenses		
<b>Total:</b>			
<b>Multi-year Budget Breakdown:</b>			
<b>Year</b>			
<b>Amount (RMB 10,000s)</b>			

## Section IV: Review Opinions
