7th China-Europe Symposium on Biomaterials in Regenerative Medicine

May 10-13 2019 Guangzhou, China

Dear colleagues and friends,

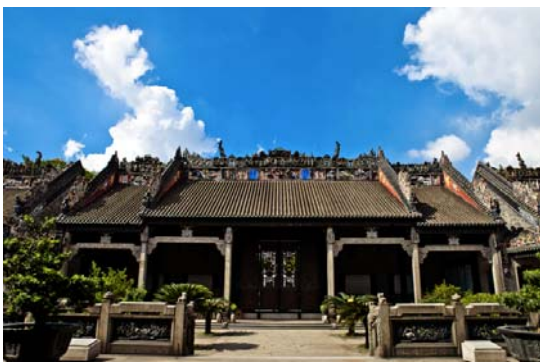

We cordially invite you to attend the 7th China-Europe Symposium on Biomaterials in Regenerative Medicine (CESB 2019) which will be held from May 10 to 13, 2019 in Guangzhou, China.

The theme of CESB 2019 is “Innovation & Collaboration”. Following the tradition of CESB series conference, CESB 2019 will be jointly held by Chinese Society for Biomaterials (CSBM) and European Society for Biomaterials (ESB) covering most aspects of biomaterials including but not limited to various advanced materials for tissue repair and regeneration, nanomedicine and immunotherapy, bioimaging and molecular probe. We will bring together two Societies and researchers from life sciences and engineering, clinicians and company representatives to provide an effective environment for stimulating exchange and discussions.

CESB2019 will be hosted by National Engineering Research Center for Tissue Restoration & Reconstruction in South China University of Technology. The Scientific Committee and local Organizing Committee warmly welcome all contributions for poster and oral presentations. We thank you very much in advance for your contribution and support. We are looking forward to welcoming you in Guangzhou, China!

Honorary Chairs: Prof. Xingdong Zhang, Prof. Luigi Ambrosio

Co-Chairs: Prof. Yingjun Wang, Prof. Xiaobing Fu, Prof. Pamela Habibovic
